

RFC Works for *YOU*

Over 30 years in the installation business has taught us the best ways to support our installers, such as:

- Providing consistent work, 52-weeks a year.
- Representing you to the customer, handling tedious paperwork and dealing with the tough issues that arise with installs so you can focus your efforts on your work.
- Making supplies for installs readily available to you.
- Storing all work order information electronically allowing for quick access anytime. Additionally, records of installer pay stubs and expense invoices are available on the installer portal for easy access.

Ready to Get Started with RFC?

Apply Online:

www.romanoff-floors.com/Installers

Greensboro, NC	Memphis, TN	Virginia Beach
Huntsville, AL	Nashville, TN	

The RFC Installers' Advantage

RFC Installers enjoy advantages never before seen in the flooring industry. Our goal is to support you and make your job easier.

Becoming an RFC Installer Means...

More Money in *Your* Pocket

Mileage Reimbursement: You will be reimbursed for mileage when traveling outside a preset range from the RFC office. This is a perk rarely offered in our industry.

Free Disposal :RFC covers the costs for all dumpsters and disposal, including recycling of materials whenever possible.

Direct Deposit: Payment for work can go into your account directly. This instant access to funds allows you to pay your team faster, and saves you from timely bank visits.

Volume of Work: Since RFC is the South's chief installer for The Home Depot, their brand is at work for you. Every advertising dollar The Home Depot spends helps get more work for you!

Industry Exclusive Programs For Our Installers

WE WORK TO GET YOU PAID! Our team is focused on ensuring timely, accurate payments for work performed.

Installer Reserves: RFC provides a program to help installers save money for the future through a variety of voluntary savings methods, ranging from 1%-10% of gross payables. Additionally, monetary awards for excellence in customer service, and mileage incentive program funds are deposited into this reserve.

Installer Portal: RFC is the only company in the industry to offer an easy, convenient tool, viewable from your home computer or smart phone, that allows you to view the work you have done and how much it pays, question any upcoming payments, view upcoming jobs to help you plan your days, and more.

More Work, Less Hassle

The Home Depot Credit Card: RFC Installers in good standing can receive a Home Depot credit line for supplies or anything Home Depot sells.

Digital Diagrams: RFC utilizes clear and easy-to-understand digital diagrams to show footage and area, door locations, seam layouts, photos, etc., preventing error and confusion often caused by hand-drawn diagrams.

Relocation Opportunities: If you should ever move, with 23 offices throughout the southeast, RFC will help connect installers in good standing with active badges to work opportunities in your new area, or provide referrals amongst our competitors.

RFC Warehouses: RFC provides a clean environment for fast, efficient load outs of most customer work orders.
